THE FIRST PRESBYTERIAN CHURCH OF SALT LAKE CITY, UTAH

DEAR FIRST PRESBYTERIAN MEMBERS & FRIENDS,

Dear 1st Presbyterian members and friends,

Dec 2017/Jan 2018

During the month of December, Christmas songs and carols surround us on radio, TV, every kind of store, at home or church. Then January comes and its back to elevator music, songs of the 60s & 70s, or the latest pounding of the head.

So, for Advent and Christmas, how about when you hear a carol, take one phrase from it and focus on the words for your thoughts prayer and thoughts throughout the day? I don't mean "Jolly Old Saint Nicholas: when I'm fast asleep, down the chimney broad and black, with your pack you'll creep..." Or, "O Christmas Tree: forever true your color." And, certainly not: "Fa la la la la; la la, la la."

I mean "O come let us adore him... O holy child of Bethlehem, descend to us, we pray... Son of God, love's pure light... Born to give us second birth... O tidings of comfort and joy... Let every heart prepare him room... Now ye need not fear the grave: Peace! Peace! Jesus Christ was born to save... Come adore on bended knee... His power and glory evermore proclaim."

Not "Happy" Holidays or even "Merry" Christmas, but "I hope you'll have a blest Christmastime." And when January arrives, take the hymns from Sunday worship and do the same. "Holy, holy, holy! Merciful and mighty..."

All in the name of our Savior, Jesus,

Pastor Mike

FROM THE PASTORAL ASSOCIATE

In the sermon that I shared in November regarding Paul's emphasis on Christ as the foundation of the church, I asked if First Presbyterian is willing to be founded on Christ and nothing else. I asked if we are willing to be different than the world. Rev. David Wells, professor at Gordon-Conwell Theological Seminary, wrote a book titled *The Courage to be Protestant*. I want to share a couple of paragraphs from this book with you and hope you will consider what it should mean for First Pres in 2018.

"The church is not our creation. It is not our business. It is not there for us to advance our careers in it. It is not there for our own successes. It is not a business at all. The church, in fact, was never our idea in the first place...It is true that churches are also organizations. But it is not their organizational side that defines them...the Church is utterly unlike any other organization in the world. In the church are those who belong to another world...when it gathers, it is hearing a summons to stand before the God of all eternity, to worship in awe before him, to acknowledge his greatness, to humble itself, to learn to live in this world on God's terms, and to do its business as his. It is in all these ways otherworldly... Churches that want to influence their culture are so often tempted to think that to be effective they must hide their otherworldliness and become slickly 'this-worldly'... Churches that actually do influence the culture – here is the paradox – are those that distance themselves from it in their internal life. They do not offer what can already be had on secular terms in their culture. They are an alternative to it... their preoccupations are with the God of their salvation who in his

holiness and grace is completely unlike anything we find in life...The most important thing we learn about the church is that it is God who builds it...Of course it is true that the church needs to be led, taught, pastored, and organized... But we must start with the bedrock truth that it is God alone who builds and nourishes it. The reason we must start here is that this divine work is what prescribes what the church is and how it is best served."

Have you ever thought of church this way? As "otherworldly?" As being owned and operated by God and a portal to God's kingdom? Can we really operate the church that way? Not only can we, but we must. It simply is not ours. I pray we find the ways in which God wants to use us (First Presbyterian) and continue to use us for God's purposes and bring more of those in this world into God's presence and glory.

Blessings, Pastor Chris

As happens in the church giving cycle every year, we are once again experiencing a deficit in church income compared to expenses for the church's ministry. Because of this, we are reducing expenses as much as possible. If you are able to bring your estimate of giving current or make a contribution, it would be very much appreciated!

Contribution statements will be sent out the first part of December. A negative difference (-diff.) reflects the remaining amount of your 2017 estimate of giving. Statements are sent out to inform contributors of their gifts and to ensure that donations are being properly credited. Please check your statements for accuracy. If you have any corrections or questions, please contact the church treasurer, Nancy Savage. She is in the church office on Monday and Thursday.

Year-end contributions to the church MUST BE RECEIVED no later than the end of the last business day of the year, December 29th, to be eligible as an IRS charitable deduction for 2017.

OFFERING ENVELOPES

2018 boxed offering envelopes will be available in the Narthex and at the reception desk beginning December 24, 2017. **They will not be sent in the mail.** Please feel free to pick up a set.

The total received for the Ulster Project Offering at the Kirkin' Services was \$ 1,380.00.

We received \$1,208.00 for the Peacemaking Offering on World Communion Sunday.

STEWARDSHIP CAMPAIGN

Our stewardship campaign for 2017 is continuing. You should have received stewardship information and a Giving Card in the mail. If you have not turned in your Giving Card, please prayerfully consider filling out your card and sending it to the church. Giving Cards are also available at the reception desk. Session will finalize the budget at the December Session meeting.

YOUTH MINISTRY

It has been a fairly dry winter so far and the students of FPC have been taking advantage of it.

Confirmation Class has been great over the last 2 months. We will be taking a break from it through December and pick back up in January. Confirmation Sunday will be on February 11 at 11am.

On December 10, the youth (along with the rest of the congregation), will be caroling at a few different assisted living homes including the VA. It is always a powerful experience as we bring some smiles to the residents.

At 12:30 pm on December 17 will be the date of the FPCSLC White Elephant Christmas Party. It will be a potluck lunch at the church. After the exchange, we will be heading over to Gateway to watch Star Wars: The Last Jedi from 3:30 pm-6:00 pm. Cost is \$5.

There will be a Family Christmas Eve Service at 11am on Sunday, December 24th. This is wonderful time for us to come together and celebrate the birth of Christ with our church family. Candelight services will be offered at 8PM and 11PM.

January 20 will be the 4th annual Brighton Ski Trip. We will be meeting at the ticket office at 9:00 am. After hitting the slopes, we will all gather at the Dart's Cabin for a time of fellowship and devotion. It is one of our favorite events of the season.

Look out in the upcoming months for service projects with Crossroads Urban Center. Our students love to serve others through this organization.

If you would like to volunteer for any youth events, service projects, or open your house to a Bible Study please don't hesitate to email or give me a call. Our calendar of projects/events can be found on the bulletin board in the Fellowship Hall

Many Blessings,

CHILDREN'S MINISTRY

Kids Korner at the Ceilidh

We had a great time in the Kids Korner during the Ceilidh on Saturday, October 29. A steady turnout of kids kept busy with the Bounce House, magic show, and art projects throughout the day.

Samaritan's Purse Shoebox Project

On Sunday, November 12, FPCSLC youth and children filled over 100 shoeboxes with gift donations for children around the world. These shoeboxes will be mailed as a part of Operation Christmas Child along with the message of Jesus' love for children everywhere.

Kids' Tree and The Greening of the Church

On Sunday, November 26 immediately following the 11:00 am service, we "green-ed the church" in preparation for the Advent season. Kids had a special craft and decorated their own tree during this time.

Ornaments are displayed for all to see during the Advent season on the tree at the front desk.

Hurricane Harvey Relief

Sunday, December 3—Sunday, December 17

The Faith Explorers have adopted a Houston Family impacted by Hurricane Harvey. Aurora and Daniel live with their four grandchildren: ages 16 (male), 15 (female), 7 (female), and 5 (male). Their specific needs are blankets, school uniform clothes, socks, and school supplies. The youngest ones might appreciate a few toys. Bring donations on or before Sunday December 17, and we will send the collection to Houston in time for Christmas morning.

Children and Families Celebrate Christmas

Sunday, December 24, 11:00 am

All kids are invited to morning Christmas Eve service. Children will be featured as dancers, singers, and readers of scripture. Come early to pick out your costume for the a simple Christmas pageant with shepherds, angels and stars.

Winter Curriculum

After finishing up an intense ten-week study of how the Bible is organized, where to find verses in it, and how to use it in our lives, we will begin the New Year back at the beginning. Join us in January back where it all began: God created the Heavens and the Earth. Get a head start in your Jesus Storybook Bible by reading the following stories: The forgiving prince (Genesis 37-46), The beginning: a perfect home (Genesis 1-2), The terrible lie (Genesis 3), A new beginning (Genesis 6-9), and A giant staircase to heaven (Genesis 11).

TROOP 34

2017 is coming to an end and we at Troop 34 have much to be thankful for. Being a member includes not just camping and earning merit badges, but it also includes participating with service projects. Recently, members of Troop 34 helped with the annual church cleanup. Members also had the privilege of helping Assistant Scoutmaster, Jim Jette’s family. Jim has been an integral part of Troop 34 and his son, James, just became an Eagle Scout.

Service projects will continue during December: gathering hats, gloves and underwear to be given to the Road Home.

Camping and hiking activities included a trip to Notch Peak, located west of Delta, Utah, traveling to City of Rocks in Northern Utah and our most recent outing was to Big Rock in the San Rafael swell of central Utah. We are grateful for support from parents and Scout leaders who encourage and take the time out of their schedules to make these trips happen.

Troop 34 held a Court of Honor where Scouts received many merit badges, rank advancements and learned how successful our annual wreath selling fundraiser turned out. Congratulations to Sinjin Steed for selling the most wreaths. Money raised from Troop fundraisers go into the Scout’s account and helps pay for

campouts, registration and for bigger trips, like 2018’s Philmont high adventure Scout Camp. Thank you to those members of First Presbyterian for helping with this fundraiser!

Upcoming events include:

January: Klondike

Derby and Night Skiing;

February: Winter Camping/Snow Caves and Scout Sunday.

BASEMENT KITCHEN

First Presbyterian Church
Basement Kitchen

Recently our basement commercial kitchen was inspected by the fire inspector. He told us that we must install an Ansul fire suppression system if we would like to cook anything with grease laden vapors. The Ansul fire suppression system is set up to put out any grease fire that occurs on the stove and in the ovens, including the convection ovens. Our current hood system and venting would need to be brought up to current code and a make-up air system would need to be installed. The make-up air system consists of venting that will go from outside the building and in front of the hood system over the stove. It will need its own heating and air conditioning system that run even after the fire alarm system shuts off the rest of the HVAC system in the building. In order to install this system, it will require a building permit and the plans will need to be approved by Salt Lake City and must meet both Salt Lake City fire safety code and health code.

We have received bids on the work that is required to bring the basement kitchen up to code. It is estimated to cost between \$20K-\$30K provided nothing else is required to meet the code when we have the plans approved and the improvements are being made. The church does not have money in the budget to meet these costs. We are looking to raise funds towards these improvements and appreciate any donations that are made. The proceeds (~\$3,000) from

our recent Scottish Festival have been designated to go towards these renovations as the kitchen is instrumental in providing a successful festival each year as well as many other events that are held during the year. We have also received \$2,500 in generous donations.

While we are raising funds for the kitchen renovation, we will have limited use of the stove and the ovens. We can use the stove and the ovens to warm food that does not contain grease of any sort. This includes any meat due to the fats in the meat, butter, oil, shortening, etc. The fire department starts fines at \$5,000 per incident or item cooked that violates code and the insurance will not cover the cost of a fire to the building. Due to the severity of the issue we are placing strict limitations on the use of the kitchen. All items requiring the use of the stove or ovens must be preapproved. The kitchen will be kept locked and the gas to these items will be kept off. In order to use the kitchen, permission and approval must be asked for at least 3 business days in advance (keep in mind the FPC office is closed on Mondays). We ask for your support by way of prayers, donations, volunteering to help with or head up fundraisers, and following the new guidelines of the kitchen.

Thank you!
